EXHIBITION PROGRAM

The exhibition program for the Zig Zag Gallery is arranged by the Gallery Coordinator. Exhibitions will include solo exhibitions, group exhibitions and exhibitions from organisations and institutions. Priority will be given to exhibitions from within the Kalamunda Precinct. In addition to exhibitions generated through the application process, the Zig Zag Gallery actively develops exhibitions and partnership projects to enable broader engagement with communities in the region.

In special circumstances, the Gallery Coordinator may reserve the right to present exhibitions in the Gallery. These exhibitions may include educational exhibitions, touring exhibitions, in-house curated exhibitions or joint projects with other cultural organisations.

SELECTION OF EXHIBITIONS

The selection of exhibitions is made by the Gallery Coordinator. Key issues that influence selection are:

- The calibre of the artworks;
- The relevance of the art to Gallery policy;
- The need to create a programme which reflects the diverse cultural communities and art practices existing in the Kalamunda Region.

Applications for recurrent exhibitions will only be considered if there is evidence of significant growth, development and difference from one exhibition to the next.

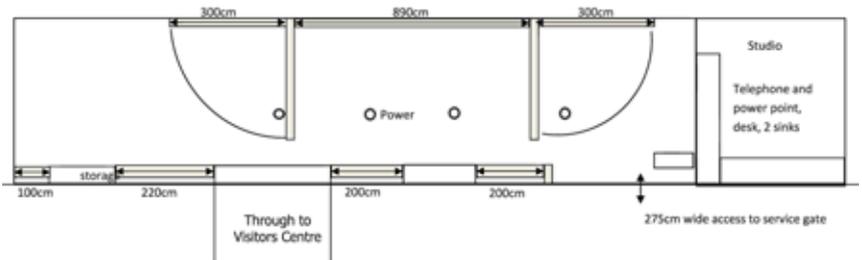

DURATION OF EXHIBITIONS

Zig Zag Gallery exhibitions may run for up to six weeks with a minimum period of one week.

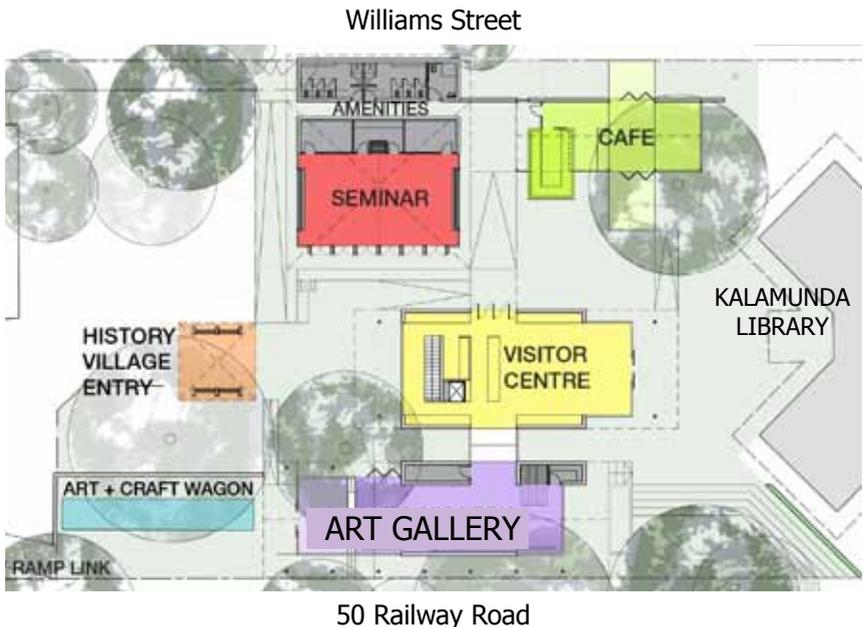

THE EXHIBITION SPACE

The Gallery exhibition space is 93m² and has a display hanging area of 60 linear metres. The artist in residence space is 21m² and includes a workbench and a sink.
